If you or the designated beneficiary is not a New Hampshire, Massachusetts, Delaware, Arizona or Connecticut resident, you may want to consider, before investing, whether your state or the beneficiary's home state offers its residents a plan with alternate state tax advantages or other state benefits such as financial aid, scholarship funds and protection from creditors.

Units of the portfolios are municipal securities and may be subject to market volatility and fluctuation.

Please carefully consider the plan's investment objectives, risks, charges, and expenses before investing.
