FidBits

Helping you make the most of your workplace benefits and your money.

Time for a money check-in

Midway through the year is a great time to set (or reset) your financial goals. Your financial wellness dashboard has tailored insights to help you plan, save, and make confident money moves.

[Check your progress](#)

Saving today for a brighter tomorrow

Take a moment to review your [retirement plan contributions](#). Fidelity generally recommends saving 15% of your pre-tax income for retirement, including employer contributions. Even a 1% increase in what you save can make a real difference over time.

You deserve a vacation—plan for it

Ready to check your schedule and make a plan? [These tips](#) can help you turn your travel goals into savings goals without derailing the rest of your finances.

Check up to level up

Your [financial wellness action plan](#)—tailored to your unique situation and goals—awaits. If you haven't already, take the Financial Wellness Checkup, or visit your action plan to make progress on the next task.

Your action plan can help you feel more confident about your **spending, saving, debt management, and financial protection.**

How to begin investing for retirement

This on-demand, 1-hour webinar covers investing fundamentals, asset classes, and strategies for making the most of your [workplace savings](#).

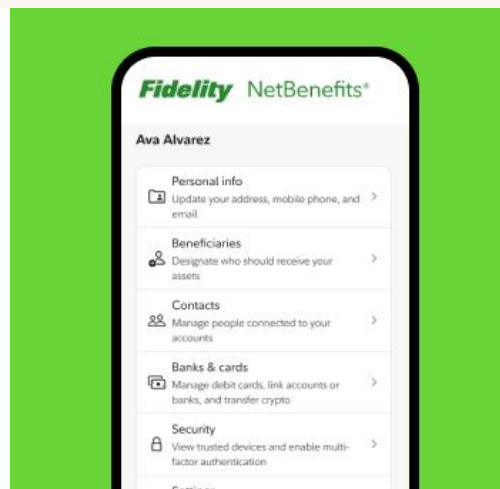

Starting a new job? Make these money moves

New role, new opportunities. These [4 steps](#) can help you focus on your financial transition, use your benefits wisely, and avoid leaving money on the table.

Review your NetBenefits profile

Confirm your contact info, security preferences, and beneficiaries—it's a small step that helps keep your plan on course.
