

# Manage health benefits on the go with the Fidelity Health<sup>®</sup> app

The simple, effective way to help employees use their health care dollars and benefits

Our research shows that across all generations, **95% of those employees** surveyed think one of the **most effective ways to get health benefits information was a benefits smartphone app.**<sup>1</sup>

**It's highly rated: Users give iOS and Android versions of the app a glowing 4.9/5 stars.**<sup>2</sup>

## Put key health benefit actions at your employees' fingertips

### View

See where health benefits stand, with account activity, coverage details, and carrier information all in one place.

### Act

Make decisions and manage health care expenses on the go for themselves and their dependents.

### Utilize

Leverage the easy-to-use eligible expense barcode scanner, receipt library and ID Card Wallet.

### Learn

Get information around navigating major life events with access to articles and timely alerts to help make informed decisions in the moments that matter.
