**Review today to determine whether you need to take action**

Our records indicate that you elected to defer your loan(s) payments as a result of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). This serves as a reminder that your loan payments were deferred through December 31, 2020, with repayments beginning in January 2021.

Fidelity has re-amortized your loan with interest accrued during the deferment period. Your new payment amount reflects the outstanding principal balance of the loan, the loan interest rate, interest accrued during the deferment period, and the maturity date.

**Your new payment amount is [now available on NetBenefits.com](#).**

**Payroll deduction payments** If your loan payments are currently made through payroll deductions, your loan payments will resume as soon as administratively feasible.

**ACH payments** If your loan payments are currently made through Fidelity's electronic loan payment service, go to Fidelity NetBenefits® to re-establish your recurring loan payment with your new payment amount.

Please be aware that a change in your employment status could impact your payment option.

If you have any questions regarding your loan or your plan's procedures, you may contact a Fidelity Representative at <Plan number><800-835-5097>.
