

Welcome to Fidelity's Flexible Spending and Reimbursement Accounts Services

Fidelity's Flexible Spending and Reimbursement Accounts services provides an integrated, multi-account solution that helps make health care management easier for you and your employees; and enables employees to maximize health care dollars for their unique needs.

THE SOLUTION

Flexible spending and reimbursement accounts options to help employees meet their financial and well-being goals

Single platform

Supported by our integrated approach

One support team

Simple administration

Single point of payment

Benefits of Fidelity Flexible Spending and Reimbursement Accounts

How We Help Your Employees

- Integrated with health savings accounts (HSA) and retirement accounts; easy access on NetBenefits® and the Fidelity Health® App
- Stacked debit card provides a single point of payment for HSA, FSA, and HRA (separate card for Commuter spending)
- Save time and money by easily managing, paying, planning, and budgeting out-of-pocket health expenses

How We Help You

- Simple administration of multiple benefit accounts with data files, funding, reporting, and contracting all through Fidelity
- Communications and education to help drive employee engagement
- Consolidated participant experience with a full view on NetBenefits® for all Fidelity accounts

Integrated Client Service and Support

- Access to an assigned Reimbursement Accounts Manager and support team
- Fidelity account management support
- Fidelity implementation support

Reach out to your Fidelity client team with any questions.

For plan sponsor use only.
