Guaranteed Income Direct can help cover your day-to-day

Whether you're retired or about to be, having a plan to manage your daily expenses in retirement is a must. And your previous employer can help you secure a steady flow of income with [Guaranteed Income Direct](#).

By converting part of your workplace savings into a guaranteed income annuity, you can feel good that you'll have cash flow for life or as long as you need it—safe from market swings—guaranteed.

Not sure about how guaranteed income fits into a retirement plan? Check out [this video](#).

Investing involves risk, including risk of loss.

Annuity guarantees are subject to the claims-paying ability of the issuing insurance company.

In order to provide an income stream, income annuities provide limited or no access to the assets used to purchase them.

Fixed annuities available through Guaranteed Income Direct are issued by third-party insurance companies, which are not affiliated with any Fidelity Investments company. A contract's financial guarantees are solely the responsibility of and are subject to the claims-paying ability of the issuing insurance company.

Income annuities available as plan distribution options are selected by the plan's fiduciaries and sold and issued by third-party insurance companies which are not affiliated with any Fidelity Investments company. Fidelity Health Insurance Services, LLC ("FHIS") may receive a fee from the issuing insurance company; however, FHIS does not directly or indirectly solicit, negotiate, or sell any annuities available as plan distribution options. A contract's financial guarantees are solely the responsibility of and are subject to the claims paying ability of the issuing insurance company.
