Important Information

² Your Fidelity Cash Management account will automatically be reimbursed for all ATM fees charged by other institutions while using the Fidelity® Debit Card at any ATM displaying the Visa®, Plus®, or Star® logos. The reimbursement will be credited to the account the same day the ATM fee is debited. Please note there may be a foreign transaction fee of 1% included in the amount charged to your account.

³ The Cash Balance in the Fidelity Cash Management Account is swept into an FDIC-Insured interest-bearing account at one or more program banks and, under certain circumstances, a Money Market mutual fund (the "Money Market Overflow"). The deposits swept into the program bank(s) are eligible for FDIC Insurance, subject to FDIC insurance coverage limits. Balances that are swept to the Money Market Overflow are not eligible for FDIC insurance but are eligible for SIPC coverage under SIPC rules. At a minimum, there are 20 banks available to accept these deposits, providing for up to \$5,000,000.00 of FDIC insurance. If the number of available banks changes, or you elect not to use, and/or have existing assets at, one or more of the available banks, the actual amount could be higher or lower. All assets of the account holder at the depository institution will generally be counted toward the aggregate limit. For more information on FDIC insurance coverage, please visit [FDIC.gov](https://www.fdic.gov). Customers are responsible for monitoring their total assets at each of the Program Banks to determine the extent of available FDIC insurance coverage in accordance with FDIC rules. The deposits at [Program Banks](#) are not covered by SIPC. For additional information please see the [Fidelity Cash Management Account FDIC Disclosure Document \(PDF\)](#).
