RETIREMENT INCOME PLANNING TRIGGER
All audience segments
ages 58.5, 59 and 60

subject: Now or later? Retire with a plan for income.
pre-header: Get a clear picture of where you stand and how much you may need.

Fidelity
INVESTMENTS

Take control of your money—and your future.

Whether you're months or years away from retiring, it's important to build an income plan designed to last. Having a clear picture of your monthly cash flow can be a good first step.

Get a quick estimate of how much you could have each month from savings and predictable income like Social Security or annuities.

No matter where you are with your finances, having a plan can help you feel more prepared for retirement.
